

Omeath District Development coordinated 'A kick sampling water study' in the Ryland River Omeath in conjunction with Ben Malone from the Local Authorities Water Programme #LAWPRO pupils from both Scoil Naomh Lorcan and Scoil Naomh Bríd as part of our Omeath Biodiversity Action Plan

Bat Boxes that we have erected at the Dolmen Centre and on the Greenway

As part of our Omeath Biodiversity programme we have recently installed Bee, Butterfly and Insect Hotels at the Dolmen Centre and on our off site Biodiversity Garden...

And at our long standing 'bird restaurant' that appears quite busy this morning we serve nuts, water and seeds daily for our resident flock of birds.

Proposal of future projects for 2024
Biodiversity Fund: Implementing CBAP Recommendations.

The Stream Keepers Programme: Through the Lough agency.

Rural action awards 23/24: Dustbin Decor.
